TRADE NOTICE

Dear Valued Customers,

We thank you for your continued patronage with Gateway CFS.

We wish to bring to your notice that the last revision of our CFS Tariff was done on 15th November 2018 and since then there has been a steep increase in the operating costs mainly due to escalation in fuel price. The Diesel price was INR 75 per Litre as on 15th November 2018, currently reached a mark of INR 98 per Litre which is an increase of 30%. Also with the increase in Fuel prices, cost of consumables like lubricants, tyres, spare parts and other operating expenses has increased drastically during the last 3 years.

Taking the above factors into consideration, we wish to introduce Diesel Sur-Charge in addition to our Existing CFS Tariff w.e.f. 22nd September 2021.

S.No	Type of Activity	Description of Activity	20 ft. Rate in INR	40 ft. Rate in INR
1	Export & Import	CFS Stuffing, CFS De-Stuffing, Factory Stuffing & Factory De-Stuffing	1,500	2,000

Assuring of our best services at all times and looking for your continuous support.
